TUESDAY, AUGUST 16, 1870.

FROM COMPANY SHOPS.

Kirk and most of his command are at Graham with such prisoners as they have not paroled. Kirk was in the city on yesterday, in consultation with Gov. Holden. Mr. Turner's condition as well as those who are not paroled, is quite uncomfortable.

JUDGE PEARSON.

It is no longer concealed that Chief Justice Pearson has been sent for and probably will be here to-night, and that he will order the prisoners for whom he issued writs before him, so as to prevent their going before Judge Brooks on Thursday. It is rumored that Chief Justice Pearson says, that Judge Brooks has no jurisdiction in the case. We doubt if the Chief Justice has made such a statement in view of the law of Congress touching the case. The truth is, strictly speaking, the Chief Justice virtually surrendered his jurisdiction and allowed Holden to whip him in. Will he dare now to interfere after what has passed? Will he farther immolate himself and go down still deeper with Holden? We warn him. He could have saved us from civil war and strife, but he backed. He can perhaps now do it, by keeping aloof.—Will he do it?

THE GRAND GALA NIGHT IN WILMINGTON.

On Thursday night the good people of Wilmington had a grand Conservative demonstration, which, the *Star* says, surpassed anything of the kind, perhaps, ever witnessed in the State. That is putting it pretty strong, but we have no doubt it was, as represented, a grand, magnificent and overwhelming affair.

During the afternoon people from the surrounding counties poured in, and the trains on the Railroads and boats on the river brought large numbers from points along their lines. The arrivals were welcomed with the enlivening strains of music and the roar of cannon.

At 7 o'clock, P. M., the crowds began to assemble in the vicinity of the Market House, where a salute of 100 guns was fired under the direction of Lieut. Planner. This was the opening of the demonstrations.

At 8 o'clock the opening address was delivered by Col. R. H. Cowan to an immense crowd gather on Front and Market streets, the whole scene made brilliant by the light of blazing tar barrels. Eight or ten thousand people were collected together, besides the doors, windows and balconies of neighboring houses were crowded by the fair sex, who were eager and interested spectators of the lively scene.

The address of Col. Cowan, says the *Star*, as was to be expected, was eloquent, forcible as well-timed, and was listened to with intense interest and satisfaction by the vast multitude, both white and colored. His reference to the base fabrications of carpet-bag Republicans, made to frighten and mislead the colored people into the belief that it was the intention of the Conservatives, provided they should get into power, to deprive them of the rights and privileges granted them by the Constitution, and his emphatic declaration that they would not if they could, and could not if they would, divest them of a single right or privilege guaranteed them by the Constitutions of the State and of the United States, and that these falsehoods were concocted and circulated purely for political effect, were well timed and appropriate, and were well received by the colored people, large numbers of whom were interested listeners.—Every word that he uttered carried with it the conviction that it came from his heart. His *complimentary* allusions to Holden were greeted with tremendous applause, and his reference to the great victory which the Conservatives of North Carolina have achieved—establishing the fact that North Carolina would once more be ruled by North Carolinians—made every one feel the truth of the sentiment uttered by the eloquent speaker—

"The sons of 1870 have proven themselves worthy descendants of their sires of 1776."

The torch light procession then formed and marched to various points of the city where speeches were delivered in response to calls, by A. M. Waddell, Esq., member elect to Congress from the 3rd district, Maj. C. W. McClammy, State Senator elect, Mr. J. C. Heger. Mr. Owen Fennell, Jr., elected to county offices, Capt. S. A. Ashe, elect to the House of Representatives, and by various other gentlemen.

Everything connected with this jubilee was on a grand scale—the crowd, the speeches, the illuminations, the exultation and rejoicing—and we only regret that we were not there to see.

KU KLUX AGAIN, PERHAPS.—Mr. Nathan, a wealthy Jew, was brutally murdered in his own house in the city of New York, about a fortnight ago. The closest scrutiny has been made into the case, and yet no clue to the murder has been discovered.—Perhaps, this is another Ku Klux case.—Why does not Gov. Hoffman follow in the footsteps of the illustrious Governor of North Carolina, W. W. Holden, and declare the city of New York in insurrection and raise State troops to ferret out the offender by hanging, choking and frightening accused parties? Gov. Hoffman is behind the age, he has not reached that sublime position yet in which he consults the "higher law" more than the written law and the Constitution.

NORFOLK REJOICING OVER OUR NORTH CAROLINA VICTORY.

On the 10th inst., our neighbors and friends of Norfolk had a grand jubilee in celebration of the great victory we achieved in this State on the 4th. We condense from the *Virginian* the following account of the festivities of the occasion.

Myers' wholesale liquor establishment was illuminated by 600 tapers, and the building looked like some vast palace resplendent with lights. The houses of Whitehead & Turner, Vance & Merrifield, E. P. Tabb & Co. and the *Virginian* building, were illuminated from bottom to top. Quite a number of the residences of former citizens of North Carolina were also illuminated in commemoration of the great Conservative success in this State.

A large assemblage convened on the grounds of the City Hall, which were lighted up by blazing tar barrels, while music from an excellent band enlivened the occasion.

On motion of Col. J. W. Hinton, Col. Kader Biggs was chosen Chairman, Cols. G. W. McGlauhon, J. M. S. Rogers, Maj. Wm. J. Baker and Gen. H. Fryer, Esq. Vice Presidents, and Messrs. Geo. W. Arps, C. G. Elliott and Wm. G. Martin appointed Secretaries. Speeches were made by the Chairman, Hon. W. N. H. Smith, Col. J. W. Hinton, Col. Lamb, and Hon. John B. Whitehead. The following resolutions, introduced by Col. L. D. Starke, were unanimously adopted, after which, with three cheers for North Carolina, the meeting adjourned.

RESOLUTIONS.

Resolved, That as former citizens of the good old State of North Carolina, we feel a profound interest in everything that effects the welfare and happiness of her people.—We know them for their manly virtues, their law abiding spirit, and patriotic temper. We mourn with them in their sufferings, and rejoice with them in all things that tend to their well-being and prosperity, as individuals, and their honor and glory as a State.

Resolved, That we have watched the progress of the recent political struggle in that State with the deepest anxiety, and have been shocked and grieved at the diabolical warfare which has been waged upon the rights and liberties of her people by those who were bound by the most solemn oaths and obligations to protect them.

Resolved, That we heartily and sincerely rejoice with the good people of that State in the victory of law and order which they have achieved through the peaceful means of the ballot box, under circumstances which were well calculated to exasperate and madden them. Their moderation and forbearance have accomplished the double purpose of vindicating their own characters from the aspersions sought to be fixed upon them, and of rescuing the State from the misrule of a reckless and unscrupulous State administration.

Resolved, That we cannot too highly commend the spirit of calm and dignified moderation with which the people have borne themselves during the trying ordeal through which they have passed, and we trust and believe they will continue in well doing, as well in this, the hour of their prosperity, as in adversity.

Resolved, That we tender our most earnest and heartfelt sympathy to the good and true men who are now suffering military imprisonment, and bid them be of good cheer, in the confident hope that they will soon be restored to liberty through the peaceful agency of the great writ of *habeas corpus*.

AN EPISODE IN THE HISTORY OF THE HOLDEN-POOL CONSPIRACY.

A correspondent writing from Davidson College, gives in the following incident, which, in the minds of all who are familiar with the Radical movements in this State for the last few months, will at once connect itself intimately with the history of the diabolical conspiracy that was inaugurated and endeavored to be carried out here to force or prevent the election the 4th of August. Our correspondent says:

"On my return from New York in company with R. R. Caton who resides, I think, at Elk Shoals, and Mr. Gorrell, of Winston, we were accidental visitors in the U. S. Senate Chamber, on the 18th day of April last, when and where we heard Senator Drake, of Missouri, read to the Senate a long letter, purporting to be from some party in North Carolina whose statements and veracity were stated to be too good to admit of a shadow of doubt.

In that letter the most earnest appeals were made for troops to be sent to North Carolina to suppress the rebels and Ku Klux, who were represented to be committing the most atrocious deeds ever read or heard of, all over the State. The statements and assertions therein made were so numerous and hellish they were calculated to terrify every one present, especially as who lived in North Carolina, if we had not known them to be untrue.

In the appeal of W. J. Clarke, Holden's appointee as Colonel in his "State Troops," to the people to enlist under him, I recognize some of the milder words and sentences of that letter, whether by mere coincidence or not, I cannot say.

These facts, if not already known to your readers, may go to substantiate the charge against the conspirators, of the slander and great injustice done to the peaceable and honest people of North Carolina. I believe that every sensible man of every party desires and demands a full and fair investigation of this whole matter, that we may be set right before the eyes of the world.

Yours, H. P. H.

P. S. I might mention the fact that Drake withheld the name of the author of the letter, on the plea that, if it should be mentioned, the author would be assassinated immediately; and while we remained in the Senate the name of the author was not asked for, or given."

Now, who was the writer of that letter? The people of North Carolina would like to know, so that they may brand the villainous slanderer with the marks of their everlasting scorn and contempt. He may lie concealed for a time, but his name will leak out at some future day.

Jacob McCotter, the Republican Senator elect from Pitt county, is dangerously ill.

We learn from the Wilmington *Journal* that work is to be begun at once to improve the bar and river below Wilmington, under the supervision of Col. Simpson of the U. S. Coast Survey.

It is reported that Holden has employed Messrs. Nat. Boyden, W. H. Bailey and J. M. McCorkle to argue his side of the question at Salisbury on next Thursday.

FRANCE AND PRUSSIA.

The war between France and Prussia, is at present, the absorbing topic of christendom. We have been so much engrossed with the great interests of civil liberty in our own State, we have thought but little of any thing else. Our telegraphic intelligence and items from other papers, have however kept our readers advised of its inception and progress.

We regard this war as wholly unnecessary and cruel. It was not gotten up in the interest of the people, but for the sole use of royalty and of the crowned head who should happen to be winner. Napoleon in declaring war against Prussia upon such slight grounds—reasons wholly unsatisfactory to the world—puts himself in a wrong attitude and it appears he is about to suffer for his temerity.

France seems to have been far from being ready, when Napoleon declared war. He felt he must do something to reassure himself and his house of the love and confidence of France. The indications are that that was a fatal step. In the space of ten days, the Emperor Napoleon having appointed his Queen, the Regent in his absence, and taken position at the head of his army with his son, the Imperial Prince, is beaten at every point by the Prussians and is driven back. France is aroused and as usual becomes frantic; the Ministry are ousted and a new Cabinet appointed; the entire nation is rushing to arms; discontent with Napoleon prevails—there is talk of his abdication and of the Republic, and of Eugenie and the crown prince fleeing to England. So rapid have been these events, they appear like a dream. The up shot of the matter may be summed up in few words. Napoleon is whipped and may be driven from France in ten days more.—Never has there been so sudden a fall.—From the very highest position as the first monarch of Europe, after a brilliant career of twenty years as a diplomatist and statesman, he falls suddenly into disgrace and ruin, by his inglorious attempts at playing the soldier. Pity, pity, that one who had done so much to promote the arts and the interests of peace, and had governed France so well as a civilian, should have wrecked his hopes so soon, in the feeble attempt as a leader of her armies. Such Blundering and imbecility France has never shown before.

But the reader must not suppose that France is conquered, though Napoleon seems to have been. The burst of indignation and of wrath now pervading the French nation, bodes no good to the peace of Europe. From this moment every man and every thing that stands in the way, will be removed, and the French will again prove themselves to be the best soldiers of the continent. She seems to lack generalship, but as usual the right man is the right place may arise for the emergency. One thing is now rendered certain, that that man is not Louis Napoleon, the Emperor of the French.

From the Old North State.

UNLAWFUL ARREST OF JO. TURNER.

On Friday morning last, as he was in the act of getting on the cars at Hillsboro, Josiah Turner, editor of the Raleigh SENTINEL, was arrested by a squad of Col. Kirk's men under the command of a Lieut. Heaneycutt. Mr. Turner seemed, by defiance, to be courting an arrest for some time, and has at last been gratified. Such being the case we feel called upon to bestow but little notice upon the matter on his account. The fact that he seemed to be courting an arrest, would have led any other Governor than Holden not to arrest him at all. He has probably done Mr. Turner a great service.

But if this arrest does not call for serious notice on Mr. Turner's account it calls for such notice on account of the great principle of civil liberty involved. Of the actual guilt or innocence of Mr. Turner it is unnecessary to speak, as it does not at all affect the question. We are obliged to assume, however, that he is innocent until he is judicially proved to be guilty. But, for sake of the argument let it be supposed that Mr. Turner is guilty of some high crime, he is still entitled to certain rights which cannot be infringed without striking a severe blow at the dearest rights of every citizen of the State. In this respect his cause is the cause of every friend of law and order in the State. Whatever he may be he had a right to demand that he be arrested and dealt with according to law.

The Governor may say that he has a right under the decision in *Ex parte* Moore, to make military arrests of all suspected persons and hold them for trial. This is true of all suspected persons in the insurrectionary counties. But Mr. Turner did not live in either of those counties, and was not arrested in either of them. Consequently his arrest, as well as the arrest of some others, was an arbitary arrest, made without the shadow of authority of law, and worthy only of the despots of the middle ages.

If the Governement had any clear proof of any crime against Mr. Turner he could easily have been arrested on a civil process and tried and convicted in the civil courts. But we have the melancholy spectacle of a Governor making loud professions of veneration for the supremacy of the civil law while violating it on all occasions, either by making unlawful arrests, or refusing to obey writs of *habeas corpus* issued with the concurrence of all the Judges of the Supreme Court.

The Governor's course is attracting much attention at the North, and is being justly and severely denounced by many leading journals of all parties who have as little sympathy with Ku Kluxism as we have.

THE FALL ELECTIONS.—The fall elections occur as follows:—California and Vermont, September 6; Maine, September 12; Indiana, October 1; Florida and Mississippi, October 3; Iowa, Ohio and Pennsylvania, October 11; West Virginia, October 27; Delaware, Kansas, Louisiana, Minnesota and Missouri, November 1; South Carolina, November 7; Illinois, Maryland, Massachusetts, Michigan, New Jersey, New York and Wisconsin, November 8.

The annual Fair of the Cape Fair Agricultural Association will be held in Wilmington on the 15th, 16th and 17th days of November. General M. W. Ransom delivers the address.

We are informed that Col. Wm. A. Johnston is to be Chief Marshal of the approaching Fair of the Roanoke and Tar River Agricultural Association, which is to be held at Weldon.

Correspondence of the Sentinel.

OXFORD, N. C., Aug. 13, 1870.

GRANVILLE SUPERIOR COURT.

The regular Fall term of the Superior Court for Granville has been in session all the week. As usual there is a large docket, and a goodly number of lawyers in attendance. "Where the carcass is there the eagles gather." In former years the Granville Bar was the foremost in the State, and doubtless equal to any in the whole country. When Badger, Graham, Kerr, Reade, Waddell, Iredell, Saunders, Miller, Bryan, Perrin H. Busbee, McRae, Eaton and other able lawyers, were accustomed to practice at this Bar, there was an array of talent, genius and learning not surpassed by any in the land. The most peerless that North Carolina ever gave birth to—the lamented George E. Badger, made the greatest efforts of his life in the Court House in Oxford.—His son in-law, Mr. McGehee, of Caswell, once told me that Mr. Badger thought, himself, that his best speech had been spoken here.

Among the lawyers from other counties present this week, I observed Capt. Joseph J. Davis, of Franklin, Henry Jordan, Esq., of Person, and Gen. Cox and Charles Busbee, Esq., of Raleigh. Granville furnished her full quota, there being no less than nineteen in attendance. I believe all the lawyers in the county were present save the Hon. A. W. Venable, one of the most remarkable men now living in the State.—Full of years and honors, he lives a very retired life upon his plantation some sixteen miles from Oxford.

THE JUDGE.

"His Honor," Samivel the oleaginous, or as he is more familiarly known, "Greasy Sam," presides with his accustomed dignity, elegance and ability. (?) The stranger, as he eyes him for the first time perched upon the judicial heights, is vastly impressed. The morning I descried him upon his eminence he seemed flushed and flatulent as he delivered a charge to the Grand Jury which was, to say the least, unique and striking. I once heard "His Honor" make a Railroad speech that was merely ragged and incoherent, but the aforesaid "charge" was remarkable as a literary performance, whether we regard the matter or style.—He had written the telling parts which he read with sophomoric precision and emphasis. He employed two brilliant rhetorical figures in which were meandering streams and a ship coming into port, both of which were eminently suggestive of originality and freshness. Indeed, the entire performance was distinguished, if we refer either to the luminous statements or to the fastidious garniture of words with which they were artistically bodied forth. His stately "hip" and "meandering stream" gave fresh evidence of consummate juridical erudition and great ability in the line of linguistic battles. A literary friend upon witnessing this literary escapade on the part of the Oleaginous, pronounced him, *sotto voce*, a magnificent ass, to which I was constrained upon the instant to indulge in a hearty—amen. "Greasy" seemed specially anxious, I thought, to have his Court closed. At any rate he took occasion to allude to the probability of its being closed, referring, no doubt, to some arbitrary and unwarranted assumption of power by Holden, or his obsequious tool, Grant the stupid. Perhaps, in Sam's case, "the wish was father to the thought." At this writing, "Greasy" is probably in your city, as he adjourned Court from Friday to Monday. It is understood that he has gone to Raleigh to hold a solemn conclave with Holden, "Black Hawk" Rogers and *sich*.

JUDGE GILLIAM.

I had the pleasure of renewing my acquaintance with Judge Gilliam, just elected to the present Congress, *nice*, carpet bagger Deweese, kicked out for corruption and rascality. I was glad to see Judge Gilliam looking so hearty in health after the toils of the late heated summer canvass. I have long known and revered him as one of North Carolina's most worthy citizens.—He is an excellent lawyer, when upon the bench was an admirable Judge, and is really one of the best *Belles Lettres* scholars in the State belonging to his profession. I never knew a more urbane and kindly gentleman, nor one with a better heart. In Granville, where he was born and where he has spent his long and useful life, he is honored and loved to a degree that falls to the lot of few men. Many of his political opponents in the late election testified as to their high regard by voting for him.—May the evening of his life be as serene and blissful as the morning of it was promising and the noon of it has been honorable, useful and distinguished!

COL. EDWARDS.

I also had the high satisfaction of taking by the hand my friend, Col. L. C. Edwards, who in the recent campaign bore himself so gallantly. He was one of the Senatorial candidates for Granville and Person, and although defeated by fraud, added to his already fine reputation as a speaker by the admirable addresses he made throughout the canvass. He was beaten by forty-three votes, but his friends intend that the election shall be contested. It is thought that at least one hundred illegal votes were polled in Granville alone.

I have been in this beautiful village for a few days, and have enjoyed myself no little among its refined, hospitable and cultured citizens. Oxford has long been famous for its pretty ladies, educated men and excellent schools. At no time has it offered greater educational advantages than at the present. It has two first class female schools, one classical school for boys, and two good children's day schools. But I must refer for a moment with more particularity to two:

ST. JOHN'S FEMALE COLLEGE.

Rev. C. B. Riddick, a superior educator and gifted with fine administrative, talents and enterprise, has for several years presided over Kittrell's Springs Female College, in this county, and which has been largely patronized. At the close of the last session he removed to this place, having leased for ten years, the large and imposing building erected by the Masons of North Carolina, and known as St. John's College. It is *par excellence* the most beautiful architectural structure I have seen, North or South, that has been dedicated to educational purposes. It stands on an elevated and commanding site in the midst of a magnificent grove, where we may well imagine the dryads and hamadryads of old were accustomed to disport themselves. The College is on the suburbs, distant only a pleasant walk, and is sufficiently near to all the Churches. The school has only been open for a few days and already seventy-eight young ladies have matriculated, and "the cry is still they come." I dare say the gifted President will be greeted by at least a hundred pupils before his first session in October closes.—He came to Oxford at the earnest solicitation of the citizens, and in meeting, as I am glad to hear, with a well deserved cordial welcome. I learn from him that by coming to Oxford he has been able to reduce his rates and thereby to cheapen education. By referring to his circulars and advertisements, it will be seen, that his terms are very low for the times—more moderate indeed, than those of any College of a high grade in the South. He has a full corps of experienced and accomplished instructors. Success always to St. John's College, Oxford.

ST. MARK'S SCHOOL.

The Classical and Mathematical School of Mr. Horner's is another famous Oxford institution. Some seventy boys have already entered and the prospect is excellent for still further additions. Mr. H. is assisted by Mr. Christian, a graduate in four schools of the University of Virginia.—There are several Raleigh boys here, and they are all taking high places. Among the "first mitemen" are young Hinton, McGee, and two Haywoods—one a son of Col. E. G. Haywood and the other of Dr. E. Burke Haywood. If Raleigh has "more of the same sort," send them along.

But I have already taxed your space too much. A word more. Wherever I travel the people are loud in their praise of Mr. Turner. They appreciate the service he has rendered the State, and many hope yet to see him Governor of the noble old Commonwealth he saved. I believe the people of Granville are not behind those of Edgecombe and other counties in gratitude, and if so, they ought to manifest it by procuring for the SENTINEL at least two hundred subscribers. In addition, an elegant gold watch would be a handsome testimonial of their regard for Mr. Turner as a patriotic citizen and fearless editor.

"Let us have peace!"

MUCHUENA.

CASWELL COUNTY.

In this county, now rendered famous by the outrages of Kirk's militia, the Radicals elected their ticket by 300 majority. But is it possible for them to boast of it?—They first imported United States troops and quartered them at the county seat, then came Kirk's militia invading the peaceful firesides of the citizens—dragging one (Young Roan) from his bed at the dead hour of night; following another (Blackwell) to church, and, at the instigation of a negro, dragging him from the very altar of God; attacking another (Mr. F. A. Wiley) in the field, knocking him down with a fence rail, tying his feet under his horse's belly and beating him as they rode along, locking him up in a room to himself, and, with cocked pistols at his head, ordering him to confess that he had been guilty of a foul murder; arresting about twenty of the best citizens of the county and keeping them in confinement for weeks, and treating the writs of *habeas corpus*, issued by the Supreme Court, with contempt, and, on the day of the election, marching such men as Judge Kerr, Dr. Ruan and Hon. S. P. Hill, to the polls at the point of the bayonet—all without a shadow of excuse, with the view of intimidating the whites and encouraging the blacks to vote against the conservative party!

But in spite of all, the Radical majority was greatly reduced, and if the white people and negroes had been let alone, the Conservatives would have carried the county.

People of Caswell, we glory in your pluck! You have been subjected to a fiery ordeal, but your spirit has not been broken. —*Danville Times.*

NEW SYSTEM,

devised by its talented and distinguished Actuary CHAS. N. MORGAN, which must make it the leading Company in America, for persons in

MODERATE CIRCUMSTANCES,

and all who appreciate and demand the most UNQUESTIONABLE SECURITY, at rates in most cases, considerably lower than those of the leading Mutual Cash Companies.

The Excelsior issues Policies on all the plans of Mutual or Stock Companies, extending to policy holders, all the really desirable advantages. Its policies being non-forfeiting, the insured are privileged to *live and travel where they please* in any healthy part of the world, they participate in its profits, are allowed 30 days grace for payment of renewal of premium, a cash surrender value of policy, *and a privilege* which has never been offered by any other Company, that of converting Policies into

after the payment of 5 or more annual premiums.

☞ Hitherto, I have been restricted in the very popular Company which I had the honor to represent to *Stock rates* alone, which most of the *Mutual*, and mixed Companies have adopted, claimed to possess unusual charms, together with the extraordinary attractions presented by the Excelsior induced me to accept the management of that Company, whose plan combines *all the popular features* of other Companies, represented in this State, without an exception, and the additional privilege of converting policies, which the holder can not afford to keep up, or wishes *Annuity Bond* which provides an *income* (cash *through life, or for a series of years as preferred.*

Circulars giving full explanations and any other information, will be cheerfully furnished.

The most liberal arrangements, will be made with first-class solicitors, to push the EXCELSIOR forward in the Old North State, to that position which her low rates and most ample security entitle her to occupy.

HOMICIDE.—We understand that two colored men in Harnett county got into a heated dispute on the subject of religion, last Tuesday, when one of them drew his knife and cut the throat of the other, besides stabbing him in five places, from which he died in a few hours. The homicide was arrested and is now in Harnett jail awaiting trial for murder. It is rather a dangerous thing to undertake to settle disputed points in theology with butcher knives.

FRESHETS.—The rains of the last few days have raised the streams of this county to such a hight as to cause considerable damage on many farms. We learn that the saw mill dam of Mr. Eldridge Partain, on Black Creek, which was undergoing repairs from a former break, gave way, and the rush of water coming against the cotton gin of W. A. Myatt, on the same stream, below, washed it off its site and so damaged it that it will have to be entirely rebuilt; also breaking the forebay of his grist and flour mill causing considerable damage. It is thought the loss will amount to some eight hundred or a thousand dollars.

MILITARY THEATRICALS.—To day about 2 o'clock, amid the calm serenity felt by the Conservatives, and the long faced chagrin of the Rads, all produced by the grand result of the election in this State, the dull monotony of an extremely dull, cloudy day was broken by a sudden uproar and influx of a large concourse of little nigs on Fayetteville street which suggested the outbreak of a bully dog fight. Closer inquiry, however, disclosed the fact that the muss and uproar was produced by the obstreperous resistance of a captured deserter from Holden's State troops to a squad of his enlisted comrades who were taking him to Col. Clarke's camp. The poor fellow having surfeited on the "glories of war," had taken it into his head to go home, but was nabbed by deserter-hunters, and at the point of six bayonets was being dragged back to camp. He resisted mantully, damning Holden, Clarke and the "army" generally, but by means of pulling, pushing, bayoneting and thumping over the head, and finally tying and putting him in a cart, he was taken to his destination.

We suppose the "Commander in Chief" will immediately order a Court-martial, try the poor fellow and have him shot.

But what a spectacle the whole scene presented! Here on the principal street of the capital of the State, soldiers, so called, with fixed bayonets, dragging a "deserter" to the camp! and that, too, in the midst of profound peace. Bah!

CORRUPTION.—The Salisbury *Examiner* says that it has undoubted authority for saying, that Col. J. M. Long of Cabarrus, was offered by the Radicals $1,000 to continue an independent Conservative candidate until the election.

Sometime ago the barn of Mr. A. W. Lawing, in Mecklenburg county, not far from Rozzell's Ferry, was struck by lightning and entirely consumed.

The Conservatives of Newbern celebrate the late Conservative victory on to-morrow night.

RETURNED.—The Newbern *Journal of Commerce* says that the U. S. troops recently stationed in Caswell County have been ordered back to Fort Macon. "Kirk's lambs" did not like the proximity of U. S. troops.

YOUNG HEADS ON AGED SHOULDERS.—It is no longer a loathsome task to darken gray hair. PHALON'S VITALIA, OR SALVATION FOR THE HAIR, effects the change without any unclean accompaniment. It is a limpid, clear fluid, and has a pleasant aroma. The number of applications determines the shade. No sediment, no stickiness, no darkened bottles!

Sold by all druggists and fancy goods dealers.

The Season of Exhaustion.

The close sultry weather which usually prevails toward the end of summer is particularly unfavorable to the feeble and enervated. Even the well-knit frames of strong men feel the influence of the season, and lassitude and languor prevade the whole community. Ladies, especially those in delicate health, suffer much from debility, occasioned by the humid heat, and feel the want of a wholesome invigorant. In fact, a necessity for something to recruit the exhausted system is experienced, more or less, by everybody, and the only question is, *what that something will be.* With those who have tested the effect of Hostetter's Stomach Bitters on themselves, or have observed its effects on others, this question will not be in doubt for a single moment. Its tonic and regulating operation, and its agency in creating a healthy appetite and promoting digestion, are rightly classed by all who have resorted to this unequalled vegetable invigorant and corrective, among the most extraordinary therapeutic wonders of modern times. It should be taken at this season as a safeguard against the epidemic diseases which are so apt to attack the relaxed system in the fall of the year.

As it is understood that mercenary speculators in various parts of the country are endeavoring to supers de the standard tonic of the age with worthless articles manufactured by themselves which they represent to be superior to this long tried remedy, it is proper to put the public on their guard against this species of imposition, and to warn them against the deleterious trash with which dishonorable dealers seek to drench them.

NORTHERN SENTIMENT.

The condemnation of Holden, Pool and their clique, in the Northern States, for their unlawful attempt to secure the August election and their wicked pretence of enforcing the law against alleged Ku Klux outrages, is almost universal, both among respectable Republicans and Democrats.—We have already published large extracts from the Northern press. We append a number of additional evidences of the general condemnation:

The Pittsburg (Pa) *Commercial* says:

The result of the North Carolina election doubtless has a meaning for those who will understand it, which should not be difficult. If the Republican party has been "laid out" there, and an inquest should be held, probably the verdict would be: died of carpet-bag scalawags and too much reconstruction. Such a verdict, we dare say, would have the suggestion of fact in it; and withal an admonition which Congressional reconstructors in general might profitably consider.

The Philadelphia *Age*, (Dem.) says:

The fact that Holden's negro militia and Grant's white soldiers could not carry the elections in North Carolina in favor of the Radicals, is urged by the journals of that party as proof that the military were not used for political purposes. It would be as logical to say that a "jimmy" found upon the premises had not been used in opening a store, because the safe could not be "cracked." Grant and Holden tried the military dodge in North Carolina. It failed, and now they are "going back" on the instruments they made use of in the canvass.

The Ohio *Statesman* speaking of the carpet-baggers in the South, says:

"What a precious collection of political prostitutes they would make for a traveling caravan of monstrosities. If Barnum could get hold of them, from Rev. Whittemore down, his fortune would be resuscitated."

The *People*, Concord, N. H. says:

Notwithstanding the desperate and outrageous means resorted to by Gov. Holden—that "truly loyal" patriot and formerly ardent rebel—to secure a Radical triumph in the State of North Carolina, by fomenting discord in different sections of the State for the purpose of gaining a pretext for declaring martial law as he did, placing the people at the mercy of a notorious Tennessee renegade, who commanded his troops, and by whom hundreds of peaceable citizens were seized and imprisoned, without warrant or excuse, and in many instances barbarously tortured, and all this under the countenance of the Grant administration which sent Federal troops to Holden's aid,—notwithstanding all this the attempt has proved a failure, and the result of the election is a general conservative triumph.

The Philadelphia *Age* says:

It is evidently the purpose of Governor Holden to produce such a state of affairs in North Carolina as will afford Congress a pretext for interfering in the domestic concerns of that State. He would prefer revolution and civil war to a rule of the people. This has been demonstrated by his policy as Governor. No sooner was he installed as Chief Magistrate of the Commonwealth than his friends began to outrage all who differed with the Radical policy inaugurated. There was no difference of opinion allowed. Those who did not support Holden were denounced as disloyal, and treated as such. None of their rights were respected.

In reply to what the *Standard* said of Judge Brooks the *Age* says truthfully:

All that Judge Brooks has done is to issue a writ of *habeas corpus*, to inquire by what authority certain citizens of North Carolina are deprived of their liberty. This he is bound to do under the Constitution of the United States. And, yet, because he acts in accordance with his duty and oath of office, Governor Holden accuses him with desiring to precipitate the people into a civil war. At the same time the Governor declares he will not obey the orders of the Court until compelled to do so by the power of the Federal government. He will oppress the people; he will act the tyrant; he will hold on to power, and plunder, despite the will of the majority expressed though the ballot-box. That is the announced programme of Governor Holden, and his organ declares that the Federal army will not be used to enforce the decrees of the United States Court against Governor Holden. If this be so, then General Grant is in the conspiracy with Governor Holden, and they are alike guilty. This North Carolina case shows to what lengths the Radical leaders are prepared to go in order to continue their supremacy, and arms with keener point the necessity for their defeat at the coming election.

THE KIRK PRISONERS.

"Rotating Dick Badger," Holden's man Friday, was here on last Friday, to see Judge Brooks concerning the prisoners held by Kirk.

We understand that Badger proposed to have the prisoners turned over to Judge Tourgee for trial, to which Judge Brooks did not accede. He further proposed to surrender them up in obedience to the writs of *habeas corpus* issued out by Judge Pearson some time since, to which the good Judge Brooks facetiously replied: "Tell the Governor Judge Pearson's writs of *habeas corpus* "have played out!"

So Rotating Dick returned to Raleigh with a flea in his ear.

We understand that the prisoners are expected here on next Thursday, when their respective cases will be investigated by Judge Brooks.—*Salisbury Examiner.*

Monday Night Dispatches.

WASHINGTON.

WASHINGTON, August 15.—Revenue to-day $831,000.

A warrant has been issued for the arrest of Hon. Mr. Butler, member of Congress from Tennessee, for forgery.

The Comptroller of Currency has approved the application for National banks, under the new law, at New Orleans and Montgomery. Other southern applications will shortly receive attention.

The State Department, it is rumored, has advices that Metz has been carried by storm by the Prussians.

At the very last moment there is nothing more definite regarding the battle at Metz.

NEW YORK.

NEW YORK, August 15.—The *Tribune* has the following special dispatch:

LONDON August 15.—Disturbances of a serious character have occurred at Marseilles and Lyons. Crowds collected in the streets shouting 'Down with the Emperor!' Three persons reported killed. A very strong rebellious feeling is manifested and serious fears are entertained of trouble, today being the Emperor's *fete* day!!

Advices respecting the Prussian flank movement upon Metz are confirmed by the statement that the German troops held Point a Mousson.

FOREIGN.

VIENNA, August 15.—The Austrian Government denies having moved troops to the Transylvania frontier.

BERLIN, August 15.—Hundreds of German families have been expelled from Paris. Many have just reached Cologne. Subscriptions have been opened for their relief in different parts of Germany.

METZ August 14, 8 10 a. m.—The Prefect of Moselle telegraphs the following to the Minister of the Interior:

"The Emperor left to-day at 2 o'clock for Verdun, accompanied by the Prince Imperial. Before leaving his Majesty issued the following proclamation: 'On quitting you to fight the invaders I confide to your patriotism the defence of this grand city. You will never allow the enemy to take possession of this great bulwark of France, and I trust you will aid the army in loyalty and courage. I will ever remember with gratitude the reception I have found within your walls and I hope in more joyous times to be able to return to thank you for your noble conduct.'"

PARIS, August 14.—The city of Mulhouse is still in the hands of the French.

PARIS, August 15.—*L'Opinion Nationale* computes the force for the defence of Paris at 150,000 with 60,000 (?) guns mounted.

Twenty French citizens of Werth have been shot by the Prussians in retaliation for the cruelty said to have been inflicted on wounded German prisoners.

Thirty thousand troops of Marshal McMahon's corps who were cut off from the French army and were believed to have fallen into the hands of the Prussians have arrived at Strasbourg in safety.

The *Journal Officiel* reports the arrest on the highway of an individual in whose house were a quantity of poignards, revolvers and large calibre of ammunition. He was followed the night before last to an isolated house in the neighborhood of the fortifications, where were found a list of names, a number of red flags, different rallying signals, a description of the troops occupying the forts surrounding the Capital, and *carte de visite* of persons in the service of the sovereign now at war with France.

In the afternoon of yesterday, at 4 o'clock, from sixty to eighty men, all armed with revolvers and poignards exactly similar in model to those previously seized, attacked the engine house on the Boulevard Billete, and assaulted the guard with daggers and revolvers. One officer was wounded in the breast and a fireman severely by three bullets. Four guns kept at the station were carried away. The police of the 14th arrondissement ran to their aid, and received a volley. One fell instantly dead, the others were seriously wounded. Two of the police will probably die. A little girl also was killed by a stray ball.

The police led by their officers arrested the ringleaders and four accomplices.

The population co-operated with the police, voluntarily and made other arrests. The guns taken have been re-captured.

By the exertions of a number of the national guards, aided by the police and the people, order was finally restored. Fifty persons were arrested.

During the evening other persons with like weapons were arrested in other parts of the city. The populace are aroused and are indignant at this outrage. The prisoners will be tried by court martial to-day.

An official dispatch says that in the engagement yesterday, the enemy was repulsed after four hours hard fighting. The troops are in fine spirits. The details of the battle not yet received from Metz; but the last reports received last night of its favorable result created an immense sensation. Crowds went to the Minister of the Interior and demanded the particulars. All night masses of people marched through the boulevards shouting joyfully.

Bismarck holds out against the Prussians.

FLORENCE, August 15.—A dispatch from Palermo announces the arrest of Mazzini, yesterday.

LONDON, August 15.—The steamship "Pennsylvania" was destroyed by fire here late on Sunday evening.

Great events are expected at Kiel immediately.

It is said that the reason of the Ex-Empress Carlotta has been re-awakened by the great events now transpiring on the Continent. She manifests the deepest interest in the war.

The Prussians have arrived at Vigneul, a few miles from Metz.

The French blew up two bridges at Vigneul to check the rapid advance of the Germans.

LONDON, August 15, 2 p. m.—The French order in regard to the telegraph has been modified. Private telegrams can be accepted for and through France, except for the following Departments: Moselle, Bas Rhine, Vosges, Haute Rhine, Haut Marne, Meurthe, Marne, Metz and Haute Savoie.

Ten days, and not fifteen, as at first stated, are accorded to neutral ships to quit the German blockaded ports.

Paris reports say that Marshal McMahon is at Toul. The *Constitutionnale*, however, says he is at Nancy.

Edmund About is still missing. It is feared he has been killed.

A second pitched battle is reported as having occurred near Metz this morning, in which the Prussians were victorious.

A revolutionary movement of a formidable character has recently occurred in Italy as well as in Spain, proclamations establishing Republics in both countries are hourly expected.

Tuesday Evening Dispatches.

WASHINGTON.

WASHINGTON, August 16.—The State Department has no dispatches regarding the storming of Metz.

FOREIGN.

Two hundred Uhlands appeared before Toul; shots were exchanged. The Prussians demanded the surrender of the town and on receiving a defiant refusal, retired.

Strasburg is not invested; the French still occupy the place.

No help is expected from Italy. It is re-asserted that the Prussians occupy Mulhouse and Besançon.

BERLIN, August 16.—The following additional particulars of the second fight were received last night: La e Monday afternoon the 1st and 7th army corps vigorously attacked the French forces under the walls of Metz. A sanguinary conflict ensued. The French were finally driven within the city. The French loss was about four hundred. On the same day a grand reconnoissance, led by King William, maintained itself some hours within two lines of the French defences without an effort on the part of the French to dislodge it. These facts shown the utter demoralization of the French.

The London *Daily News* has a dispatch from the Continent that the French have driven the entire Prussian line. The *Telegraph* has an editorial arguing Prussian disasters.

BERNE, August 16.—The Swiss Corps of Observation has disbanded.

LONDON, August 16.—The *Telegraph's* Paris correspondent writes that the French Chambers are unworthy of public respect. Were the members not elected by fraud and coercion they might be trusted as a Committee of Public safety.

The Prince is certainly in Paris. The *Times* in a money article says that the French victory will necessarily predispose the Emperor to treat for peace.

PARIS, August 16.—Algeria has been declared in a state of seige

CHOLERA.

HOW TO CURE IT.

At the commencement of the Diarrhœa, which always precedes an attack of the Cholera, take a teaspoonful of the Pain Killer in sugar and water, (hot, if convenient) and then bathe freely the stomach and bowels with the Pain Killer clear. Should the diarrhœa or cramps continue, repeat the dose every ten or fifteen minutes until the patient is relieved. In extreme cases, two or more teaspoonfuls may be given at a dose.

The Pain Killer, as an internal remedy, has no equal. In cases of Cholera, Summer Complaints, Dysentery, Asthma, cures in one night by taking it internally and bathing with it freely. Its action is like magic, when externally applied to Old Sores, Burns, Scalds, and Sprains. For Sick Headache and Toothache, don't fail to try it. In short, it is a PAIN KILLER.

Directions accompany each bottle.

The Pain Killer is sold by all dealers in Medicines.

THE EQUITABLE

HAS BECOME THE LEADING COMPANY OF THE WORLD.

Its New Business (sum assured), for the year 1869, exceeded that of the second company in rank by more than THIRTEEN MILLION DOLLARS.

In 1860 it was the 9th Company in new business for the year; in 1861 it was the 8th; in 1862 and 1863, the 7th; in 1864 and 1865 the 6th; in 1866, the 4th; in 1867, the 3d; in 1868, the 2nd;

In 1869 it was the FIRST.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" AFTER THEY ONCE BEGIN TO PAY THEM AT ALL; but they DO NOT BEGIN TO PAY until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid! dividends, at the end of *one year*, and each year thereafter, equals FOUR HUNDRED AND THIRTY-SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

Applications for Assurance may be made to any of the Society Agents throughout the country, or in person or by letter to the General Agents.

Gentlemen of character desirous of forming a connection with the Society as Agents are invited to communicate with its General Agents.

A NEW DISCOVERY!!

PHALON'S

"VITALIA,"

OR,

Salvation for the Hair.

CLEAR AS WATER!
WITHOUT SEDIMENT!!
UPON ALL THE LIGHT!!!

For Restoring to Gray Hair its Original Color.

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and colorless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

Phalon's Vitalia

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

THE VITALIA is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

PATENT GLASS SUBMERGED

DOUBLE-ACTING FORCE PUMP.

SUBSTITUTE FOR A FIRE ENGINE.

THIS Pump will pump 30 gallons of water per minute, will never cut out the packing, has no friction, no water ever stands in its pipes to freeze, and is less liable to get out of order than any other pump now used. It can be set up in a short time by any ordinary mechanic.

The No. 3 pump for yard wells will be sold at from $20 to $30, capable of throwing 30 gallons of water per minute. The price of No. 2 for railroad stations throwing 60 gallons per minute, will be given upon application.

Having the exclusive right to this pump for the states of North and South Carolina, and having established a factory for the manufacture of them at Wilson, N. C., I will receive orders for them at Wilson, and will ship them by Express C. O. D., or, if the money is sent me, by the regular freight. The number of feet in the depth of the well must be given in all cases

MR. J. L. KITCHIN:

DEAR SIR.—We certify that the "Balding Pumps" put up by you in the town of Scotland Neck are a perfect success. They pump very rapidly, and by attaching hose, will throw water from 40 to 60 feet and would prove invaluable in case of fire.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation *depends*

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers, in looking around for Companies in which to insure, should carefully seek for this important SAFEGUARD. It will be found in the BROOKLYN LIFE.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."
